"Divide by zero"

Inconsistent
Heads and heart are
So persistent
The mistaken
What do eyes tell
They tell secrets
That cast a spell
Can't believe that

Simultaneously travel
Down the valleys
Into trouble
Break in the dolphins
To smile is the line
I can find no one
I can find no one
I can find

Sentimental
Memories do
Not compel me
Try to please you
Why speak the truth
When it's no use
What I would like
Discontinue

Brace for the open door
Feel the little pinch beneath the
Dirt you sifted, or?

When you try to step outside you find
That twine has binded your feet
And the more you're open up your home
The more your hopes are poorer for it
