It cannot be
This galaxy is lifeless
I keep on searching for your sign
Olly (olly) oxen free
My telescope is watching
For any trace you leave behind.

An adoptee
I never knew my parents
I wonder which one has my eyes
And, if we meet
I'll tell them that I missed them
But I won't judge them; I won't cry.

Take off the veil
Let yourself be found
I bet you're scared
People on the prowl

Take off the veil
Let yourself be found
Ready or not, here I come.

Here I come
And, I refuse to believe that it's hopeless
I set my course straight for the abyss
And, I refuse to believe that it's hopeless
I set my course straight for the abyss
And, I refuse to believe that it's hopeless
I set my course straight for the abyss
And, I refuse to believe that it's hopeless
Here I come.

Olly (olly) oxen free
This telescope is watching
For any trace you leave behind.

Â¹ Olly olly oxen free is a catchphrase used in various games like hide and seek. It's used to indicate that players who are hiding can come out without losing the game.
