She had the word

Had the way

The way of letting me know

She knew the game

Called the play

Oh she hit me low

She said now you go your way

And I'll go mine

And that's a start

Doctor doctor

Ain't no cure

For the pain in my heart

Chorus:

Gimme a bullet to bite on

Something to chew

Gimme a bullet to bite on

And I'll make believe

I'll make believe it's you

Don't need no drink

Don't need no drug

Don't need no sympathy

Sooner or later
Send me a bill
For what she's doin to me
I'll call right up
Long distance lips
On the telephone
Come tomorrow
Come to grips
With me all alone
Chorus
A bullet to bite on
Gimme a bullet to bite on
Cmon now
Yeah yeah bullet to bite
Bullet to chew
I'll make believe it's you
I'll make believe it's you
Gimme a bullet to bite on
You're a bullet baby
I wanna bullet to bite on
