Do you wanna boogie?

Do you wanna blow?

She said: I do I do I do

Do you want to love me?

Do you wanna blow?

She said: I do I do I do

She said: alright tonight, alright tonight

She said: alright tonight, alright tonight

She said: alright tonight, alright tonight

Do you wanna party?

Do you wanna ????

She said: I do I do I do

Wanna know the level?

????

She said: I do I do I do

She said: alright tonight, alright tonight

She said: alright tonight, alright tonight

Alright tonight

Alright tonight

Alright tonight

Tonight

Tonight

Do you wanna journey?

Do you wanna show?

She said: I do I do I do

Don't want it keep it coming

Wanna keep it up

She said: I do I do I do

She said: alright tonight, alright tonight

She said: alright tonight, alright tonight

Alright tonight

Alright tonight

Alright tonight

Tonight

Only wanna be tonight

Baby I'm alright tonight
