Baby please don't go  
Baby please don't go  
Baby please don't go down to New Orleans  
You know I love you so  
Baby please don't go

When the man done gone  
When the man done gone  
When the man done gone down the county farm  
He got the shackles on  
Baby please don't go  
Don't leave me

I'll be a dog  
I'll be a dog  
I'll be a dog kiss your way down here  
When you walk along  
Baby please don't go

Why must you leave me  
Lying on my back  
Going across the other side of the track  
Found yourself a new man I know  
So baby please don't go  
Baby please don't go

Oh please, please don't leave me  
I don't want to be left alone baby  
Oh don't go, don't go, don't go
