I met this girl for the first time on Saturday night

Standing in the queue at the Odeon alright

Then I took her by surprise

When I threw her one of my lines

She started smiling and being real fine

That's when I say-ay-ay-ay-ay-ay-ay

Can I sit next to you, girl?

At intermission we were doing alright

Until this guy came up and stood by her side

Then he took ME by surprise

When HE threw her one of my lines

She started smiling at him real fine

That's when he say-ay-ay-ay-ay-ay-ay

Can I sit next to you, girl
