I like to slip into something good

I see a young girl in the neighborhood

The way she move, I must confess

I like to run my hands up and down her legs

The way she dress, she look so fine

I'll make her wet, I'll make her mine [Gonna make her mine]

She like it hard, she like it slow [She don't like it slow]

All right honey, come on lets go

Baby, what you want, it's the way she move [Baby, feel what you want]

Feel what you need, come on let's go [Baby, feel what you need]

Cover you in oil

I wanna cover you in oil [Let me cover you in oil]

Let me cover you in oil [I wanna cover you in oil]

Cover you in oil [Let me cover you in oil]

[Yeah]

Pull on the zip, she give good lip service

It's nothing for the show, I just pay to see her go

She make you hot, you spray your lot

[So] Comin' in honey, we're headin' to the top

The way she push, don't give a dime [she don't give a dime]

Abuse your life, gonna make you satisfied

She's kinda rough, she give it tough

Come on honey and strut your stuff

Baby [feel] what you want, it's the way she move

[Baby,] Feel what you need, come on let's go

Cover you in oil

I wanna cover you in oil [Cover you in oil]

Let me cover you in oil [I wanna cover you in oil]

Cover you in oil [Let me cover you in oil]

[Let's go

Oooooh yeah

Yeeeeeeeeeah

Baby what you want

It's the way she move me

Feel what you need

So come on let's go - yeah

Cover you in oil

Cover you in oil

Let me cover you in oil

I wanna cover you in oil

I wanna cover you in oil

Cover you in oil

Let me cover you in oil

Cover you in oil

Cover you

In oil
