One two three...

Ruby, Ruby, where you been so long

Done took to drinkin' whiskey

Baby since you been gone

Ain't no one I know do it as good as you

Lickin' on that lickin' stick the way you do

You got the lips to make a strong man weak

And a heathen pray

Tell you ain't just the way you speak

You know it's just the way you go down

Go down, go down, go down, go down

Go down, go down, go down, go down

Mary, Mary, you're the one for me

And the way you hum

Sting me like a bumble bee Bzzzz

I'll be around to see you 'bout, 'bout half past ten

Ain't felt this good

Since I don't know when

You got the touch that I need so much

In your finger tips

I got the honey that you love to taste

On those lovely lips
So go down
Go down, go down, go down, baby, go down
Go down, go down, go down, go down
Ooh, baby, rub it on
Y'know it's sticky and sweet
And it's been so long
And no else got a touch like you
I let you do things to me
I let no other woman do
Oh feels good, ah feels good, oh yeah
You do it like you should, ah, aaahhhh
Oh yeah yeah
I loved you so much
Make me so glad I'm a man
Go down, go down, go down, go down
Go down, go down, go down, go down
Go down, go down, go down, go down
Go down, go down, go down, go down
