Humdinger

Bell ringer

Got a nasty stinger

To slow you down

Mud slinger

Gold digger

Who point the finger

And do you down

Kickin' and a fightin' on a TV show

Lightin' blindin' in the middle of the road

Are you comin' in

Are you comin' in

I said come into the house of

Come into the house of

Come into the house of jazz

Come into the house of

Come into the house of

Come into the house of jazz, yes

Ball stripper

Big tipper

Got a slap 'n' tickler

To make you growl

A spitin' and bitin' on a TV show

Tightenin' frightenin' givin' out a load

Are you comin' in

Are you comin' in

I said come into the house of

Come into the house of

Come into the house of jazz

Come into the house of

Come into the house of

Come into the house of jazz

Are you comin' in

Come on in

Are you comin' in

Are you comin' in

I said come into the house of

Come into the house of

Come into the house of jazz

Come into the house of

Come into the house of

Come into the house of jazz

Are you comin' in

Are you comin' in

I said into the house of jazz

Come into the house of

Come into the house of

Come into the house of jazz

The house of jazz
