Dance me in
Show me the first part
I'll pay close detail
To every note in every chart
An escaped voice speaks from the corner of the room
It's avoiding the plans sneaking past the narrow truth

Everyone else follows through

You speak for all men
The hopeless telling of sorries cling to your lungs
In the print of tomorrow what reminds me of them
Does not remind me of yours
Remind me of the young

Oh oh oh oh oh
Just Dance me in
Oh oh oh oh oh
Just dance me in
Oh oh oh oh oh
Just dance me in
Dance me in
Dance me in

You speak for all men
The hopeless telling of sorries cling to your lungs
In the print of tomorrow what reminds me of them
Does not remind me of yours
Remind me of the young

Oh oh oh oh oh
Just Dance me in
Oh oh oh oh oh
Just dance me in
Oh oh oh oh oh
Just dance me in
Dance me in
Dance me in

Lose on both sides until there are two
I'm sat at the last table
My talk wearing thin

I'll wait for answers
I'll wait for answers
Just dance me in
Dance me in

Oh oh oh oh oh
Just Dance me in
Oh oh oh oh oh
Just dance me in
Oh oh oh oh oh
Just dance me in
Dance me in
Dance me in

Oh oh oh oh oh
Just Dance me in
Oh oh oh oh oh
Just dance me in
Oh oh oh oh oh
Just dance me in
Dance me in
Dance me in
