I fought them all (I fought them all)
It never ends (It never ends)
I keep tight and
My wonder is less

Ah ah ah ha (Ah ha ha ha)
Ah ah ah ha (Ah ha ha ha)
Ah ah ah oh why

And I'm questioning (I'm questioning)
I'll never ask (I'll never ask)
So you can sleep in (So you can sleep in)
Your perfect address

Ah ah ah ha (Ah ha ha ha)
Ah ah ah ha (Ah ha ha ha)
Ah ah ah oh why

Well you can look inside (Well you can look inside)
This calling curse (This calling curse)
The lines are drawn (The lines are drawn)
This is getting worse

Ah ah ah ha (Ah ha ha ha)
Ah ah ah ha (Ah ha ha ha)
Ah ah ah oh why

Now I can tell (Now I can tell)
You're looking now (You're looking now)
One comes, one comes (One comes, one comes...)
To find us out

Ah ah ah ha (Ah ha ha ha)
Ah ah ah ha (Ah ha ha ha)
Ah ah ah oh why
