You  
Since the first time I saw you  
It was till the end  
Doesn't matter too much if now I really  
can't touch you

You since the first time I loved you  
It made me feel so glad  
But don't leave me alone,  
you'll be part of my songs

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,  
little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,  
little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright now

You  
Since the first time I held you  
It drove me simply mad  
Please get out of my dreams  
'cause you're under my skin  
And you  
Since the first time I felt you  
It was deep inside me  
So believe my love you'll be part of  
my songs

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,

little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,  
little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright now

When I used to kiss you baby  
All around there was nothing  
I don't care if it sounds like  
the same old love song  
'cause I feel it!

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,  
little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright

In the sunlit mornin'  
there's a sunlit music  
Won't you love me little,  
little, little girl of mine  
Take my hand, hold me tight  
It makes me feel alright yeah  
It makes me feel alright now
