Why can't I?

G.I. Joe moved to Mexico, he's hiding from the IRS
Wearing diamond rings and livin' like a king at an
undisclosed address
Superman flew to Japan gave up fightin' crime
He's doin' commercials for compact cars livin' in a big
high rise

But everybody's gotta grow up sometime
To get a little slice of that big ol' American pie
Yeah, everybody's gotta grow up sometime
Why can't I?

The ol' Lone Ranger bought an RV Park somewhere in
Arizona
And Tonto built a big casino and owns half of
Oklahoma
Barbie and Ken, they got a divorce I guess that's the
way it goes
She got the house and accessories and told Ken to hit
the road

But everybody's gotta grow up sometime
To get a little slice of that big ol' American pie
Yeah, everybody's gotta grow up sometime
Why can't I? Why can't I?

All of my heroes abandoned their egos
And left me at home on the range
I'm still stuck, I'm still down on my luck
Waitin' for something to change

Everybody's gotta grow up sometime
To get a little slice of that big ol' American pie
Yeah, everybody's gotta grow up sometime
Why can't I?

Everybody's gotta grow up sometime
Why can't I?
Everybody's gotta grow up sometime
Why can't I?

Everybody's gotta grow up sometime
Why can't I?
