I'm talkin' about dreams
Big as a the Texas sky
So big that they're hard to believe
Oh, I'm talkin' about dreams

I'm talkin' about free
To know that I'm not chained in
I can go where my heart leads me
Oh, I'm talkin' 'bout free

If fences could hold me, I'd die inside
But my wishes are like horses

So I'm gonna ride
Like a cowboy into a sunset
No looking back, no regrets
Play it safe if you want to
You can't go wrong if you walk through life
Walk on, I'm gonna ride, I'm gonna ride

I'm talkin' about strength
Every time that I fall on my face
I want the kind that puts me back in the lead
Oh, I'm talkin' about strength

There are people who are tryin' to break my stride
But my wishes are like horses

So I'm gonna ride
Like a cowboy into a sunset
No turning back, no regrets
Play it safe if you want to
You can't go wrong if you walk through life
Walk on, I'm gonna ride, I'm gonna ride

I can take the good in life
Forget the rest
But the good life just ain't good enough for me
I want the best

So I'm gonna ride
Like a cowboy into a sunset

No looking back, no regrets
Play it safe if you want to
You can't go wrong if you walk through life
Walk on, I'm gonna ride

Like a cowboy into a sunset
No looking back, no regrets
Play it safe if you want to
You can't go wrong if you walk through life
Walk on, I'm gonna ride, I'm gonna ride
I'm gonna ride, I'm gonna ride
