"Superstar"

No Hollywood glitter
No Hollywood fame
Everybody needs the truth
And the truth is Christ
That's right!

Light becomes a shadow
In the brightness of God
The spotlight's on the Star
And the Star is God
Shine on

Jesus Christ
Superstar, oh yeah
Jesus Christ
Superstar

Everybody serves somebody
Tell me who do you serve?
Some stupid funky idol
Or Creator God?

Everybody needs somebody
Everybody needs God
He's the Ruler of the rules
He's the Star of stars
Shine on

Jesus Christ
Superstar, oh yeah
Jesus Christ
Superstar

Yeah!

Jesus Christ
Superstar, oh yeah
Jesus Christ
Superstar, oh yeah yeah yeah yeah
Jesus Christ Super
Jesus Christ

Superstar

A Superstar!
