She left me in the middle of a night  
In the middle of a fight  
She left me in the middle of a night  
In the middle of a fight

She left me in the middle of the road  
In the middle of the road  
She left me in the middle of a night  
In the middle of a fight

Baby, could have gave me a kiss  
Could have waited on the sun  
Baby, could have gave me a kiss  
Could have waited on the sun

You know you could have shed a few tears  
Could have shed a few tears  
Baby, could have gave me a kiss  
Could have waited on the sun

Fifty ways to say goodbye  
And you never even tried  
Could have gave a reason why  
Fifty ways, ways, ways to say goodbye

Could have left a letter  
But you never left a letter on the mirror  
Could have left a letter  
But you never left a letter on the mirror

Could have said you're sorry  
Could have said that baby  
Could have left a letter  
But you never left a letter on the mirror, no  
Fifty ways to say goodbye  
And you never even tried  
Could have gave a reason why  
Fifty ways, ways, ways to say goodbye

No, you never, never  
Baby, never ever tried to even tell me a lie  
Could have cried and said you missed me

Fifty ways, hey baby, say goodbye

She left me in the middle of a night  
In the middle of a fight  
She left me in the middle of a night  
In the middle of a fight

She left me in the middle of the road  
In the middle of the road  
She left me in the middle of a night  
In the middle of a fight

Fifty ways to say goodbye  
And you never even tried  
Could have gave a reason why  
Fifty ways, ways, ways to say

Fifty ways to say goodbye  
And you never even tried  
Could have gave a reason why  
Fifty ways, ways, ways to say goodbye

To say goodbye, to say boodbye  
Goodbye, goodbye, goodbye  
Fifty ways, ways, ways to say goodbye
