### "Closer By The Second"

You sit and you moan about yourself  
Expecting some kind of sympathy  
The anger runs dry  
Stamped out the fire behind your eyes  
Nothing's changed  
There's a breaking point you know  
There's somewhere you just gotta stop  
Wait for the weekend  
Out to the pub again  
There's a breaking point you know  
And I'm getting closer by the second  
You're like a crocodile snapping away at me  
Trying to make me slip up  
Really pointless  
Unnecessary  
Where has this self centred persona come from?  
There's a breaking point you know  
There's somewhere you just gotta stop  
Wait for the weekend  
Out to the pub again  
There's a breaking point you know  
And I'm getting closer by the second

My epic ambitions warped by your apathy  
No limits  
So faultless  
What's with the malevolence?  
There's a breaking point you know  
There's somewhere you just gotta stop  
Wait for the weekend  
Out to the pub again  
There's a breaking point you know  
And I'm getting closer by the second  
Many nights spent chasing your own tail  
Can't quite find the right way  
The path lays untouched  
Waiting for you  
There's a breaking point you know  
There's somewhere you just gotta stop  
Wait for the weekend  
Out to the pub again

There's a breaking point you know  
And I'm getting closer by the second
