I know I promised only soft words fallin' from my lips
But there's some days I just can't help myself
And in my darkest moments
I think you're worth more than this
But I know you don't want nobody else

And I can say I'm sorry
But we've been down that road
And it's so hard to let my feelings show

I'm no angel
I got no halo
I'm not the kinda girl your momma might adore
Ain't pretty as a prom queen
Ain't soft as a day-dream
But you see me like nobody else before
Oh, and I don't wanna be America's Sweetheart
I just wanna be yours

Nobody ever made me wanna change the way you
have
And there's nobody else I'd do it for
When I'm with you, I'm somebody better than my past
And everyday I grow a little more

I'm no angel
I got no halo
I'm not the kinda girl your momma might adore
Ain't pretty as a prom queen
Ain't soft as a day-dream
But you see me like nobody else before
Oh, and I don't wanna be America's Sweetheart
I just wanna be yours

I just wanna be yours
When the night time falls
Restin' in your arms
That's where I find myself

I just wanna be yours
When the sun comes up

Wrapped up in your love
I don't want nothin' else

I'm no angel
I got no halo
I'm not the kinda girl your momma might adore
Ain't pretty as a prom queen
Ain't soft as a day-dream
But you see me like nobody else before
Oh, and I don't wanna be America's Sweetheart
No, I don't wanna be America's Sweetheart
I just wanna be yours
