Somethin' in the air tonight  
I feel it in my bones  
I'm just a little restless, reckless  
Don't wanna be alone  
I need to feel about an extra (\*fill in word\*)  
Burnin' up my skin  
I get a little crazy, baby  
Every now and then

And I don't wanna do what I wanna do cause I know  
what I wanna do wouldn't be right  
But I don't wanna sleep  
I just wanna keep somebody up all night

So I call you like I always do when I'm lonely  
To tell the truth  
I just wanna be with you tonight  
I know you're not mine  
But sometimes I can't get you off my mind  
And I just wanna be with you tonight

I won't ask for promises  
To try to make you stay  
It's enough to see you, breath you  
Sharin' the same space

And I don't wanna do what I wanna do cause I know  
what I wanna do wouldn't be right  
But I don't wanna sleep  
I just wanna keep somebody up all night

So I call you like I always do when I'm lonely  
To tell the truth  
I just wanna be with you tonight  
I know you're not mine  
But sometimes I can't get you off my mind  
And I just wanna be with you tonight

And I don't wanna do what I wanna do cause I know  
what I wanna do wouldn't be right  
So I call you like I always do when I'm lonely

To tell the truth  
I just wanna be with you tonight  
I know you're not mine  
But sometimes I can't get you off my mind  
And I just wanna be with you tonight  
Oh, I just wanna be with you tonight
