If you know there's a place where you know you're gonna die
Don't go away

There's a something in the air and it knows you can't bare it
Don't go away

All the stars in the sky are falling towards your eyes
Don't go away (oh oh oh)

Seems like you don't know where you are going (echo= going)
Im not even sure if we're joking (echo=joking)
Times have past and you were still my lover
Although you have gained my trust you've gotten tougher

Fly away my dear sweet baby
We fly away 'cause it seems so crazy
Fly away (3 x) Love
