#### Mississippi Blues

I got the Mississippi Blues  
You know I'm gonna treat you right  
I got the Mississippi Blues  
You know I'm gonna treat you right  
I play my Mississippi Blues  
Beneath the Delta Moon at night

I gotta a river hip mamma  
Indianola is where she stays  
I gotta a river hip mamma  
Indianola is where she stay  
Well I met her in the backyard  
Walkin' into Clarksdale one day

Just south of Memphis  
Down on Highway 61  
When you hear my hound dog howlin'  
You know Little Texas is for fun  
I got the Mississippi Blues  
You know I'm gonna treat you right  
I play my Mississippi Blues  
Beneath the Delta Moon at night

From Tupelo to Friars Point  
Jackson to Bilouxi  
Are you gonna miss me baby  
I got ramblin' on my mind  
I got the Mississippi Blues  
You know I'm gonna treat you right  
Well you can call me Mr. Lucky  
Vicksburgh is a friend of mine

Way down on the Delta  
They'll be firin' up the grill  
And I've got a hundred pounds of catfish  
In the trunk of my DeVille  
I got the Mississippi Blues  
You know I'm gonna treat you right  
I play my Mississippi Blues

Beneath the Delta Moon at night

I got the Mississippi Blues  
The Mississippi Blues  
I got the Mississippi Blues  
The Mississippi Blues  
When I play my Mississippi Blues  
You know I'm gonna treat you right
