If Micheal Jackson's dead,  
Then who's this in my bed?  
Must be Janet instead  
I'm not ashamed they look the same  
Hey Ke\$ha baby  
I tried to call your cell phone  
You were probably busy singing TiK ToK  
And left your Nuva Ring in your mailbox (What?)  
Hey Justin Bieber  
You're all grown up inside your head  
How are you a superstar?  
Superstar's don't piss their bed (Moooom!!!!)  
Hey Snookie Jersey Shore  
You shouldn't need no more  
You're getting' kinda fat  
And no one likes a chunky whore (Oh Muy Gowd  
Seriously)

In Hollyhood everything's fantastic  
In Hollyhood cuz everyone is plastic

Oh John Mayer  
Gimme back yo hood pass  
Everytime you open ya mouth  
You let drama come out ain't nobody like yo ass  
That may be Perez Hilton  
He done gone all full tiltin'  
That New Years kiss done left him pissin'  
His little peepee's wiltin'  
Mrs. Lohan what we gonna do  
Girl you gettin' older  
I think the Parent Trap was the last time you were sober  
You doin' all that coke  
Cuz you're career's a joke  
So just go to the inside cuz yo ass goin' broke  
In Hollyhood everything's fantastic  
In Hollyhood everybody's plastic  
Hi Lady Gaga  
Your nose is all like My God!  
I asked to bend you over  
Seriously come over

I'd do Rihanna  
I'd do Beyonce and Shakira  
Hell I'd do Betty White and watch the action in the  
mirror  
I had a moment with Taylor Swift  
I was all up in it  
Kanye bust in the door like "Hold up Imma let you  
finish"  
I guess in reality I'd do every chick I could  
I never realized how much I was just like Tiger Woods

In Hollyhood everything's fantastic  
In Hollyhood cuz everybody's plastic

Now Lil' Wayne in jail  
I'm all like What the hell?  
I went and set his coke on fire cuz I can't make his bail  
But that shit didn't work  
Yo ass is locked up for a year  
I got a blunt for you when I break yo ass Outta there

In Hollyhood everything's fantastic  
In Hollyhood cuz everybody's plastic  
In Hollyhood cuz everybody's plastic  
In Hollyhood
