In Italy

I do a little dace it's called the mambo

Mambo gelato

Just you and me why don't we take a chance and do the mambo

Mambo gelato

Now it's a craze that's all the rage in Romanopoly

So es seniorena come here come mambo with me

So let's mambo

Mambo gelato

Go go go nice and legato

Don't say no

Mambo gelato

Shake that booty baby you driven me crazy

Let's mambo

Mambo gelato

Take it low

Feel it roboto

Let's mambo

Mambo gelato

Let's go

Ah mambo

Its melody just makes me want to sing

Cus it's the mambo

Mambo gelato

I look at you then I am in a spin

Without your mambo

Mambo gelato

A memory just you and I

We dance the night away

I feel your heart racing dancing the mambo with me

So let's mambo

Mambo gelato  
Go go go nice legato  
Don't say no  
Mambo gelato  
The way you swing your hips baby makes we want to flip

Let's mambo  
Mambo gelato  
Take it low  
Feel it roboto  
Let's mambo  
Mambo gelato  
Let's go  
Ah mambo
