Sen menga aytarding sevgi shirin
Samolardan ham baland, yulduzlardan ham yorqinroq
Har nafasimdan meni unutilar bu dunyo
Menga bo'larsan yaqinroq
Qalbimdagi muhabbat, ismingni aytib faqat
Meni mendan ko'proq sevgin
Sahardan ko'zing ochib, armondan olis qochib
Har dam faqat meni degin.

Naqarot:

Asragin sen qalbimni meni yuragimni
Asragin sen qalbimni meni yuragimni
O, har dam sen yonimda bo'lgin
O, menga kerak emas hech kim(1x)

Qanotsiz farishtadayman sensiz
Bolmasang qalbda yolg'iz
His etarman men o'zimni
Uzoq jim yashadik biz
Endi emasman ojiz
Yana aytarman so'zimni
Qalbimdagi muhabbat, ismingni aytib faqat
Meni mendan ko'proq sevgin
Sahardan ko'zing ochib, armondan olis qochib
Har dam faqat meni deign.
