Sen o'shanda so'z demay qalbimdan keganding
Va mening yuragimni vayrona etganding
O'zimni ertayu kech o'ylar edim deb yolg'iz
Dunyodan yiroqman yashasam men sensiz
Sen bo'lmsang o'zimni yolg'iz his etaman
Va uyqusiz tunlarga sirlarim aytaman
Eshitgim kelar tinmay so'zlaringni bilsayding
Har daqiqa menga aytsayding, aytsayding

Naqarot:

Sen ishon dunyoda tanxomassan
Menga ishon dunyoda tanxomassan
Bil qayda bo'lsam ham yurak seni deb urar
Agar ko'zim yumsam hayolga vasling kelar
Tanho, tanho emassan jonim
Tanho, tanho emassan dunyoda

Bil sening bu so'zlaring hayotim ma'nosi
Meni asira etga ko'zlaring dunyosi
Qaylarda bo'lsang ham sen men bilansan bilsayding
Har daqiqa menga aytsayding, aytsayding...

Naqarot!..
