(Divine)

I'm in love wit' her hips  
how she pose 'em for pics  
how she folds for a bitch  
just to blow me a kiss  
I been copin' with this  
tryna focus a bit  
hopin' i'll kick this emotional shit  
and she's like...

(Elan)

you are the glamorous child  
you got fashion and style  
lets sit for awhile...

(Divine)

(rock wit' me now)

I'm the "D" of the "D.E.Y."  
run the whole city high  
barely effin gettin' by  
stoppin' heavy traffic  
like she's really out her effin mind  
really tryna effin' drive  
feelin' like she justified  
without the DEY she'll effin' die

(Elan)

Bridge:

It started off with a kiss (uh huh)  
Never expectin' this...(uh uh)  
Now I'm here copin' with  
My addiction

(Divine)

(while all the girls say...)

(Elan)

Hook:

I am addicted to you  
I addicted to you

I am addicted to you  
Your my addiction

When I'm lookin' in the mirror...  
and DEY is all I see...  
Divine, Elan, and Yayo...  
is really all you need...

(Yayo)  
Quiero tocarte besarte  
no puedo dejar de pesar de  
algo me hiciste  
me enviaste  
Addicted  
Desde el momento que te acercaste llegaste  
en mi vida  
en seguida  
y me usaste  
contigo  
tranquilo  
sin ti? agresivo  
mami te respiro  
y siempre me inspiro  
te dicen Christina  
Me dicen el Yayo  
y junto somos fuego  
el mas dulce veneno  
Muah!
