Dame un momento para pensar nuestro amor

Prrrrar

Yea

Yea, JR

[CHORUS:]

Dame un momento para pensar (You a freak ma, I know
your type)

Nuestro amor (in just one moment I could change your
life)

Dame un momento para pensar (You a freak ma, I know
your type)

Nuestro amor (in just one moment I could...)

[Elan:]

See you starin', waitin',

Anticipatin'

For me to get close to you, and make a move

Show me what a girl like me supposed to do.

[Divine]

She's what I desire, I can't deny her

Been tryna find her, she's hot on fire

Give me a minute, I know you is with it

Everytime I get in it - I kill it

Trust that we must crush

Like linen

This is what you want -I feel it

If you tryna see how I'm livin

Meet me at the door in five minutes

[bridge:]

Dame tu dame tu dame tu cuerpo,

Dame tu dame tu dame tu tiempo,

Dame tu dame tu dame tu amor

[CHORUS:]

Dame un momento (Gimme a minute)

Para pensar (You a freak ma, I know your type)

Nuestro amor (in just one moment I could change your

life)

Dame un momento (Gimme a minute)
Para pensar (You a freak ma, I know your type)
Nuestro amor (in just one moment I could...)

[Elan:]
No more hestation
I've been too patient (yea)
I gotta give into you
For what you crave
Gotta make it hot
It's time to misbehave

[Yayo:]
Tu No Tiene berguenza
Biene te pego y me besa
Ere una fiera con naturalesa
Nunca prera siempre comiensa tiene las erramientas
Dame tu el sabor que tu siempre 'a querido
Sudor a sudor tu cuerpo y el mio
You know how we do
Now oye lo que digo

Now vente con migo
Me fui

[bridge:]

life)

Nuestro amor (in just one moment I could change your
life)

[Elan:]
Don't you come at me shy
If you wann'get with me
(And if you wanna get with me)
Run ya game at the end of the night then we'll see
(Oh maybe you'll get everything)
Slow your roll,
If you rush then I'll go do ma thing
