I'mma give you the world [x4]  
Give you the world

Through the fire through the rain  
Through the joy and the pain  
\*ESTE AMOR\* remains the same  
I'm a give you the world  
Through the fights through the change  
Through the nights through the days  
\*ESTE AMOR\* remains the same  
I'mma give you the world

I'm a give u the world maa  
And everything in it  
For them nights that you wanted to leave  
And u didn't  
You stood on your truthful square  
And these women  
Would give their life to sit where ur sittin'  
You the best of the best ma  
last of the dime breed  
Damn all dem half (hoes) that ride with me  
When they say they love me  
I know they're lying to me  
In your spot's where they're tryin to be  
I think I found her yall finally  
She said she wants to  
Make a little baby devine for me  
She understands where I'm trying to be  
She was right there  
Before a&r 1 sign us see  
I'm on my grind you see  
Smoke the finest trees  
So give me my space and privacy  
And I'm honestly tryin to give her the world  
Rap the globe in a bow  
Like here you go girl

Through the fire through the rain  
Through the joy and the pain  
\*ESTE AMOR\* remains the same

I'mma give you the world  
Through the fights through the change  
Through the nights through the days  
\*ESTE AMOR\* remains the same  
I'mma give you the world

\*TU ALIENTO ME MAREA TORMENTA Y  
YO DECIA TU SIEMPRE ESPERA AGUANTA  
Y TE QUEDA AT FIRST A LITTLE BIT PERO  
AHORA NO PELA JUST BILLS YA NUESTRO  
DIA LLEGA AHORA VELA COMO TIRO  
CANDELA MONTO UN EMPIRO EN EL  
MERCADO ALLA FUERA Y YAVERA Y  
MIENTRAS MAS DINERO MAS PROBLEMAS  
MORE PROBLEMS JUS STICK WITH ME TO  
SOLVE THEM AND WE'LL DO IT WE ALREADY  
BEEN THROUGH IT SI LLEGA AHI WHEN I BLEW IT  
AND NOW IM CHNAGED TE JURO QUE MY LIFE CHANGED  
LIFE CHANGE YO CAMBIADO POR TI NO POR EL  
CHABO NI EL FAME TU ERES MI NOCHE  
MI DIA EL AMOR DE TODA MI VIDA EL SABOR DE  
MI FANTASIA MI DUEÑA±A AMADA MIA MI JULIETA MI  
BEBE  
MI MUÑ±ECA CUANTO QUISIERA REGALARTE EL  
PLANETA\*

Through the fire through the rain  
Through the joy and the pain  
\*ESTE AMOR\* remains the same  
I'mma give you the world  
Through the fights through the change  
Through the nights through the days  
\*ESTE AMOR\*remains the same  
I'mma give you the world  
Gonna give, gonna give you the...

Everytime you hit the ground boy  
I hold you down boy  
I'll never skip town boy  
I'll be around boy  
You can count on me  
I'm a follow through  
If you need it, here it be  
I'm a be the truth

Yes see  
You ain't ever got nothing to worry about  
If you get burned by the fire I'm a carry you out  
Just holla when you need me around  
Cause I got you like you got me  
And forever baby holding you down
