Can't find the reason  
Can't find the way  
Guess it's not you and me  
Only dogs have their day

Another case of words that melt  
It's not a question of right  
Nightmares in broad daylight

Season crash, season burn  
You survive another turn  
And now I'm reaching out, it's true

When you don't see me  
I'm catching on to you  
You don't see me  
I'm catching on to you

Took a break to get that far  
Like the sound from a hundred-dollar guitar  
Bought from an old catalog  
Yesterday's dust and heartache

As the pieces fall  
Like candy when you're young  
Medicine when you're old  
There's no reason or rhyme  
Side stepping around  
On an elevator climb

When you don't see me  
I'm catching on to you

Another jail, another burned-out inside  
Skeleton love left to die  
Take whatever lies ahead  
The good with the bad, and leave the rest

When you don't see me  
I'm catching on to you  
You don't see me  
I'm catching on to you

Catching on  
Catching on
