Time, it needs time  
To remake your love again  
I will be there, I will be there ...  
Love, only love  
Can remake your love again  
I will be there, I will be there ...  
HAHAHAHAHA!  
Fight, baby why?  
To win back your love again  
I will be there, I will be there ...  
Love, only love  
Can break down the walls someday  
I will be there, I will be there.

If we'd go again all the way from the start  
I would try to change things that killed our love  
Your pride has built the wall so strong that I can't get  
through!  
Is there really no chance to start once again?  
I'm loving you.

Try, baby try  
To trust in my love again  
I will be there, I will be there ...  
Love our love  
Just shouldn't be thrown away  
I will be there, I will be there ...

If we'd go again all the way from the start  
I would try to change things that killed our love  
Your pride has built the wall so strong that I can't get  
through!  
Is there really no chance to start once again?

If we'd go again all the way from the start  
I would try to change things that killed our love  
Yes I hurt your pride and I know what you been through  
You should give me a chance, this can't be the end

I'm still loving you ...  
I'm still loving you ...

I'm still loving you ...  
I'm still loving you ...
