Get it rightJump

Give me the beat then Iâ' ma make it bump

Tell me what you wanna hear

Damnâ' letâ's get canned

Trouble with your man?

Iâ' ma pop my trunk

You ainâ't seen no tricks like mine

You ainâ't seen no flicks like mine

Gonna make ya....next to the subwoofers and my 6 by
9â's

Tell me that you like it raw

Tell me that my dick is...

I might make you famous

And buy you watches by Maurice McCraw

Tell me if itâ's new or old

Tell me if itâ's hot or cold

Let me know if itâ's black and bold

Say, Ludacris, six million sold

See I ain't got no time for games

I ain't got no time for lames

How you lovin' my southern slang?

Ew, E, Walla Walla Bing Bang

So anytime you need me call

When it's summer, spring, or fall

It doesn't matter, come one, come all

Either get dropped or drop your drawers

(Trina) I want my ass smacked

(Ludacris) Legs wide

(Trina) Front, back

(Ludacris) Side to side

(Trina) Pussy wet

(Ludacris) Slip 'n' slide

Diamond princess

Just mind your business

These rumors are senseless
Your whispers are endless
We livin' ghetto fab
We spendin' hella cash
This girl is hella bad
Your choice is trailer trash
Too much taste for whores
You saw me grace the Source
You watched me work the Vibe
Bitches I works for mine
One time for these divas
Two times for these visas
Third time I come on breezin'
The ice just keeps on freezin'
Hold up, I'ma keep it goin'
Back to back, I'm gonna keep on blowin'
Platinum Plaques, keepin it hood
wet sex, keepin' it good
Look girl, you don't know my angle
100 thou with a platinum bank roll
My niggaz is slow your roll
pussy power
We in control
(Trina) I want my ass smacked
(Ludacris) Legs wide

(Trina) Front, back

(Ludacris) Side to side

(Trina) Pussy wet
