Been walking every day of my fucking life
And if change is gonna come God I hope it bleeds this
river dry
I'm a steamroller, bulldozer
And life's a bitch and then you die
Don't whaste your time and wonder why
It's just a bitch yeah and then you die
Sometimes I hate all day sometimes I hate all night
Sometimes I hate everything but sometimes isn't that
alright
Gotta get a grip guess I gotta get a grip yeah
Life's a bitch and then you die
Don't whaste your time and wonder why
It's just a bitch yeah and then you die
Gotta get a grip guess I gotta get a grip yeah
To think is good but to know is best
Don't close your eyes no time to rest
Life's a bitch yeah and then we die
And it's too short to wonder why
It's just a bitch and then we die
And there's no time no to whonder why
It's just a bitch and then we die
