Swore to myself I'd never get lost again
That you'd lead me home like a fire leads a siren
Well I'm just lookin' for a door that's always open
That doesn't need no pushin' doesn't need no shovin'
Oh please
Won't you let me in
Oh please
Won't you let me in

I swore to myself I'd never get lost again
That you'd lead me home like a fire leads a siren
Well I'm just lookin' for a door that's always open
That doesn't need no pushin' doesn't need no shovin'
Oh please
Won't you let me in
Oh please
Won't you let me in
Won't you let me in
Won't you let me in
Won't you let me in
(Won't you let me in)

I'm just lookin' for a door that's always open
That doesn't need no pushin' doesn't need no shovin'
Won't you let me in
Won't you let me in
Won't you let me in
(Won't you let me in)

I'm just lookin' for a door that's always open
That doesn't need no pushin' doesn't need no shovin'
