So stressed so deeply  
I need you by my side completely, alone  
I'm needin' some care, from my baby  
I need something genuine  
Something to start me tremblein'

[Chorus]

I'm gunna kiss you on your lips  
Slowly workin' down to your hips  
Stay with you all night  
Sleep till your outta sight  
No matter what we do (we do)  
As long as we're together, (Ummm)  
Inseparable  
You, you, make me tremble.

I know it isn't easy  
Luvin someone like me  
But i'm as perfect as I'll ever be  
And the way, I pay, back to you  
Is luvin you  
Doin' the things that we do  
Soâ€¦

[Chorus]

{Hook}

Keep luvin me  
The way I'm luvin you  
Still go on strong  
I know its true  
Ur my baby  
I know u'll save me

Keep luvin me  
The way I'm luvin you  
Keep doin' the special things you do

Take me  
O

Take me

Let me,

Let me tremble (oooo yes o)

Let me tremble
