Why you acting different lately,  
Like you don't even care,  
It's breaking my heart  
To see you like this,  
And on me it's just not fair!

I can't take this no more  
I've been threw it to many times before  
Its does not take two  
Coz this time its just you!

[Chorus]  
Who are you?  
I need to know  
You're not the person that I knew before  
Who are you?  
My heart says so,  
But I don't wanna let you go.

So started acting so distant  
Not listening so well  
Was it me?  
Who did this to you?  
Like I tripped you and you fell

No I don't think that's the reason  
I need an explanation  
Maybe in the end it will be  
Me who leaves

[Chorus]  
Who are you?  
I need to know  
You're not the person that I knew before  
Who are you?  
My heart says so,  
But I don't want to let you go.

No no, don't wanna let go  
  
wanna hold on to you

But what can I do

ooo

Who are you?

Ooo

Who are you?
