"As Long As I Sing"

I've seen so much betrayal
still I believe in fairytales
I've cried through nights and days
Still I give my heart away
I've listened to the songs,
folk telling me my wrongs, I'm singing:

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I'm never in control
of my deceiving soul
I yearn so desperately
for someone to depend on me
I don't know anymore
if I've ever loved before, just singing:

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

Now I'm empty. No one holds me
and no one touches me
Knowing the night is a relative thing
as long as I sing
