Tattooed on My mind  
Acoustic Live Session

Maybe you'll soon forget about all  
or maybe you'll miss it like I do

one thing's for sure:  
I'm all messed up  
spent too much time thinking of you

And I can't get you out of my dreams  
Now I know that you're the dangerous kind  
and your smile is tattooed on my mind  
And I can't get you out of my dreams

Don't wanna write, I don't wanna call,  
I would not know what to say  
It should be you, that's how I want it to be  
Tell me you feel the same way

And I can't get you out of my dreams  
Now I know that you're the dangerous kind  
and your smile is tattooed on my mind  
and I can't get you out of my dreams

Oh, yesterday I was feeling safe  
All I do today is trying to be brave  
And no melody can seem to soothe my mind  
And now I curse you for being so sweet and so kind

And I can't get you out of my dreams  
Now I know that you're the dangerous kind  
and your face is tattooed on my mind  
And I can't get you out of my dreams

Yes I know you're tattooed  
on my mind you're tattooed

Yes I know you're tattooed  
On my mind, boy

Maybe I was just I fling  
Maybe just a one-night thing  
But everytime I wanna sing  
I'm just not gettin' enough  
Ooh  
I had you once but once just was not enough  
I dream of you every night  
I want you to hold me tight  
Make me feel alright  
And be by my side

Ooh  
I can't get you out of my dreamsâ€¦
