Let me kiss you the kisses of my mouth

All that I knew where I might find you

I have compared you tell me, rightly...

Chorus:

Hear me, King of the Infinite, King !

Hear me King of the infinite Spaces Planetmover

Hear me Sinner of the Chaos and panic my Betrayers

You rule every Servant and you open up the Gates to be

- among us !

You shine like a Diamond under a dark Sun

Lord of the Gate

Let me kiss you the kisses of my Tongue

Oh that I knew that I might find you

I have compared you tell me, rightly...

Chorus

Let me kiss you the kisses of my mouth

All that I knew that I might kill you

I have compared you tell me, rightly...

Chorus

Let me kiss you with kisses of my mouth

All that I knew where I might find you

I have compared you tell me, rightly...

Chorus
