Black mass in the dark  
It's a killing kind of lark  
Sacrifices nailed to tree bark  
You must follow the path  
Follow the blood path  
Where you meet the devil wrath  
Black mass in the night  
Everything is quite right  
Sacrifices out of sight  
And you must follow the course  
You should show no remorse  
You will be like the others  
Cause these people are bothers  
Ritual burning my only crime  
I thought I was having a good time  
So we wear a hooded robe  
Universal power around the globe  
Black mass in full moon  
Metamorphosis from cocoon  
The great satan to emerge soon  
Black mass in the dark  
It's a killing kind of lark  
Sacrifices nailed to tree bark  
Black mass in the dark  
And you must follow the course  
You should show no remorse  
You will be like the others  
Cause these people are bothers
