Coffin of surprises  
Watch how the dead rises  
Won't take no compromises  
Coffin of no return  
Evil candles burn  
Coffin full of doom  
Funeral parlor room  
Your a pile of loom  
Whom bugs will consume  
A ticket a cascet  
Your head in a basket  
Need a favour just ask it  
I gonna get you  
Last thing I do  
Fill you with goo  
Gut with a knife  
Gonna take your life  
Then make you a wife  
Draggin the woods  
Hack off your goods  
Come on the corpse  
Come on the body  
Just make sure  
Your works not shoddy  
Make it look like manson did it  
Do it right and don't skid it  
Hack off a member hack a digit  
Make it look like manson did it  
Coffin of surprises  
Watch how the dead rises  
Won't take no compromises  
Coffin of no return  
Evil candles burn  
Coffin full of doom  
Funeral parlor room  
Your a pile of loom  
Whom bugs will consume  
A ticket a cascet  
Your head in a basket  
Need a favour just ask it  
I gonna get you

Last thing I do  
Coffin of surprises  
Coffin of surprises
