We gotta keep on goin'  
To where we are not knowing  
We gotta keep on goin'  
Move it on yeah!  
We gotta keep on movin'  
If we stay we end up losin'  
We gotta keep on goin'  
Roll along now!  
We gotta keep on rollin'  
Just gotta keep on strollin'  
Better keep 'em rollin'  
Slide along yeah!  
We gotta keep on slidin'  
Roller coaster we are ridin'  
We gotta hold on tight  
& have some fun yeah!

(Bridge:)

We believe life's a journey  
Misguiding signposts leading you all astray  
But just remember all of the paths  
All lead the same way now  
What's important is how you go forth,  
Are you racin' or cruising along ?  
Are the motorways really the best way ?  
Is that where you really belong ?

We gotta keep on goin'  
To where we are not knowing  
We gotta keep on goin'  
Movin' on yeah!  
We gotta keep on movin'  
If we stay we end up losin'  
We gotta keep on goin'  
Roll along now!  
We gotta keep on rollin'  
Just gotta keep on strollin'  
Better keep on rollin'  
Slide along yeah!  
We gotta keep on slidin'

Roller coaster we are ridin'  
We gotta hold on tight  
& have some fun now!

[Jed]  
Don't give in  
Start livin'  
We can win this war!
