'Cause you're on my faith  
I can't never let you  
No, I can't let go  
Can't live without you  
Show the only one for me, your way  
I just wanna stay in your love  
I just wanna feel your heart  
I just wanna feel you, hold you, see you  
Once again, No

I can wait, I can't wait to hate you oh yeah  
Still believe, we belong together baby  
Why do you leave me now?  
Baby, really want you now  
Bye, bye, don't say goodbye  
'Cause I really want to see you  
Hold me, stay, my baby  
I know that you will always be mine  
Don't you know you can't escape me  
Always be (you and I will always be)  
Cause you'll always be mine, babe  
No, no, oh you'll always be mine, babe no

Every single day I think of you  
I can't never shake you off and  
Get you off my mind, No no baby

I can wait, I can't wait to hate you oh yeah  
Still believe, we belong together baby  
Why do you leave me now?  
Baby, really want you now  
Bye, bye, don't say goodbye  
'Cause I really want to see you  
Hold me, stay, my baby  
I know that you will always be mine  
No, you can't escape me yeah

Can't you feel now (can't you feel now)  
Can't you feel my true love (no, no) Hold on baby  
You and I will always be, forever more

Why do you leave me now  
Baby, really want you now  
Bye, bye, don't say goodbye  
'Cause I really want to see you  
Hold me, stay, my baby  
I know that you will always be mine  
Don't you know you can't escape  
(You'll always be mine, baby)  
You could be mine again, no no no  
I miss you babe  
You, all I have, I want it
