whenever you need me, whenever you call  
whenever your world comes tumbling down,  
I will break the fall  
'cause I've got the power, to depend on  
when a hero is all that it takes,  
so if you need somebody

I am your superwoman, I'll be there for you  
I am your superwoman, I will care for you  
no matter how rough, no matter how Tough  
I won't give you up, I love you more than enough  
I am your superwoman, everyday

I'll climb any mountain, I'll swim any sea  
I'll even fly to heaven and back, if you believe in me  
'cause I've got the magic you can count on  
when a miracle has to be done,  
so if you need somebody

I am your superwoman, I'll be there for you  
I am your superwoman, I will care for you  
no matter how rough, no matter how Tough  
I won't give you up, I love you more than enough  
I am your superwoman, everyday

superwoman, everyday

I am your superwoman, I'll be there for you  
I am your superwoman, I will care for you

I am your superwoman, I'll be there for you  
I am your superwoman, I will care for you  
no matter how rough, no matter how Tough  
I won't give you up, I love you more than enough  
I am your superwoman, everyday
