[Verse 1:]

Hmm-Mm
Yeah, Yeahh, Yeah (Uhh-Huhh)
Show Me What You Mean Boy
Cause I Could Get Used To This
Obsessed With Your Sexiness
It's You That's In My Heart
And I Know What You're Tryna Do
Your Making Me Work For Youuu
Making Me Fuss Over You
I Can't Help If I'm In Love

[Chorus:]

And I Know It
That Look In Your Eye (My Baby)
That You Want Me To
For The Very First Time
I've Got The Strangest Feeling
In My Mind
I'm Thinkin Of What To Do
For The Very First Time
Don't Wanna Lose This Meaning
The Best Time I Have Is With You

[Verse 2:]

Unashamed Of Showing My Affection
Just Spend Alittle Time With You
Stay Up Late On The Phone To You
I Can't Believe What I Feel Inside

[Chorus:]

And I Know It
That Look In Your Eye (My Baby)
That You Want Me To
For The Very First Time
I've Got The Strangest Feeling
In My Mind
I'm Thinkin Of What To Do
For The Very First Time
Don't Wanna Lose This Meaning
The Best Time I Have Is With You

For The Very First Time
I've Got The Strangest Feeling
In My Mind
I'm Thinkin Of What To Do
For The Very First Time
Don't Wanna Lose This Meaning
The Best Time I Have Is With You

[Hook:]

I've Seen The Tide
Written On The Floor, Yeah
You've Got My Hand
If You Ever Really Need It
Anytime You Think You'd Fall
I'm With You, I'm With You
Don't Really Need A Second Invitation
Give Me Something To Look Forward To
All I Want Is A Little Love Nation
To Be With You

I've Got The Strangest Feeling
Don't Wanna Lose This Meaning
Baby, Baby
I Feel So Alive

[Chorus:]

For The Very First Time
For The Very First Time (Very First Time)
I've Got The Strangest Feeling (I've Got The Strangest
Feeling)
In My Mind
I'm Thinkin Of What To Do (What To Do)
For The Very First Time
Don't Wanna Lose This Meaning (Don't Wanna Lose
This Meaning)
The Best Time I Have Is With You (Best Time I Have Is
With You)
