I'm so blasÃ©
Yes I'm blasÃ©
Nothing really touches me

I'm so blasÃ©
Yes I'm blasÃ©
Everything passes over me

Go ahead on and cry baby
Cry baby, cry cry cry
Go ahead on and cry baby
Cry baby, cry

I'm so blasÃ©
Yes I'm blasÃ©
Nothing really touches me

I'm so blasÃ©
Yes I'm blasÃ©
Everything passes over me

Go ahead on and cry baby
Cry baby, cry cry cry
Go ahead on and cry baby
Cry baby, cry

Go ahead on and cry baby
Cry baby, cry cry cry
Go ahead on and cry baby
Cry baby, cry
