Sophia

Babe I love it when you talk to me
and I love it when you walk with me
and I love when you hold my hand and don't let go
like you're stalking me
see i'm your property
as far as i can see
and you're the same thing to me boy coz u aint leaving
me
here with me forever
forever forever forever
boy i'm attached of you
forever forever forever
see i'm right here for you
forever forever forever
boy i'm attached to you

Akon:

And I dont plan ever to let go (Sophia* of you boy) x4
the two of you will be come
tumbling down
down, down, down, down, down..... (x 2)

Sophia

now let me jump in your car
no matter where we go, near or far
nobody has to know who we are
and theyll never know what dey saw
even though we see everything raw
eye to eye we lay down the law
even if i had 2 i'd go to war
id rather be dead and dats my flaw
baby i'm so jealous that the type of love we posses is
so dangerous
so dangerous
if you can't have me nobody can and thats not we
arranged for us...

and boy im attached to you
forever forever forever

and im right here for you
forever forever forever
i'll make it clear for you
forever forever forever
cause i'm attached to you

Akon

And I dont plan ever to let go (Sophia* of you boy) x4
the two of you will be come
tumbling down
down, down, down, down, down..... (x 2)

Sophia rap

here we go it is for the crimelord
might as well lock me up
you give me the cuffs..
and I aint gonna know why
I just can't, can't, can't get enough
were like jack n jill
but not a fairytale
but a chick at a line who knows time for kill
and that thang is so geek?
my friend is so weak...
friend is so convict and scared of sale?
sometimes I rather replace you
but I can never erase you
you really got a hold it on me

Akon

And I dont plan ever to let go (Sophia* of you boy)x 4
sophia: i don't wanna ever let you go....
the two of you will be come
tumbling down
sophia: tumbling down...
down, down, down, down, down..... (x 2)
