Lovin, lovin need some lovin

Listen tonight I wanna do it different
Tonight we gonna switch it...
Kiss me you know the places you've been ditching
So long this...

For standing in the kitchen 'cause boy you know not
mission
Every time I think about the special things we're missin
Boy just hold me on so closely
Why you gonna head and pull my hair so tight

Chorus:

Just want a little love tonight, night
I just want so wanna kiss and pull me tight
I don't really wanna... tonight
I don't really want a... tonight noh
I just want someone to kiss and love me right
Just kiss me, hug me, feel me rug me
Touching and tell me you love me
No pulling, no scratching, pushing tugging
... me boy just need some loving, lovin lovin lovin
Need some lovin, ah ah need some lovin

Pay attention I'ma make it real simple for you
Go slow while I put this traditional on you
No you can't hear it from the
No by you know my... big it out the floor
Do that again and got the...
Spoilt when I'm alone at home I start... reminiscent
heart
Thinking about love and how it was at the beginning
Boy just hold me oh so closely
Why you go head and pull my head so tight

[Chorus:]

Ah ah need some lovin

[Chorus:]
