Kanye West's Rap:

Uh, I don't need no little ass
I need a ghetto ass
Girl wit a little car that can make it cross town wit just a
little gas
I know when we first met
You was a little gassed
But you wanna keep your swag
So you was holdin' back
Yo' little brotha luv me
He say "Yeezy got some fresh clothes"
Yo' grandmother luv me 'cause I always dress in dress

clothes
I can switch yo' dress code
Change your life like "Presto"
I am like that aston martin engine, you just press "Go"
Why -why you ac'in' like you ain't impressed for?
Oh, see, why you listen to the press, though?
I-I-ain't fitta 'splain my life up on no Larry King 'cause
when I show her that thing, she say
"That explains everything"
"Everything"
"That just changed everything"
Yeezy on her name ring
Yeezy with her chain bling
Yea I throw Barack up, but
Baby, you get my vote
Love a ghetto girl
With more ass than the models
(See-see-see I did the-the skewed up shit myself)
(I didn't put no effect, no - you know)

Hook:

Yeah (What it is, nigga?)
Have you ever been down wit a female from the hood?
She can really make you feel good an' make you sang
Hop in a Maserati, baby boy, we can roll
All I really wanna know isâ€¦
What it is (Uh huh)
What it is (Uh huh)
What it is (Uh huh)
What it is (Hey-ey)
What it is
What it is (Hey-ey)
What it is
What it is (Huh-uh-uh-uh)
