Just watch me (fallin up)  
Just watch me (fallin up)  
Just watch me (fallin up)  
Just watch me..

[Verse One]

Focus on this, the ear seductionist  
More the lyricist in this rap metropolis  
More like an activist, we give it to you all  
Presentation will make you have a ball  
Sounds start conceiving causing you to meditate  
Manipulate the line with hypnotical legislate  
We far from the fakes, we never fake moves  
But jealous motherfuckas seems to just disapprove  
(and talk shit)  
And who the hell he be havin a fit  
Yo, he ain't got shit, that's why he set trips  
I identified what he rips  
which consists of nonsense nothing less than bullshit  
(Westside!) The fool can't hang  
with the all around remainders, a real entertainer  
Reviver of the true art form of, hip-hop  
Explore non-stop, entertain ya till you drop

[Chorus: repeat 2X]

We be fallin up (up) never fallin down (down)  
We keep it at a higher level elevated ground  
(Whether in your) area, (city or your) town  
Black Eyed Peas is known for gettin down

[Verse Two]

Pick the course that ya take, is it fake  
There's no remorse for a fake we must break  
Time of rap sold some dough what we make (ah)  
Yo, collapse, feel the force, full intake  
Witness the Peas, as we innovate  
Will's extraordinary, expose, instillate  
Patternin pioneers, premier by cross the lake  
Apl in fact if it's not my mistake  
Taboo's unexplained means there's no escape  
From it, hate it, love it, rate it as great

God gifted talent showin, that we create  
Enough of bein deep - it's time to motivate

[Chorus]

Just watch me..  
Just watch me..

[Verse Three]

I see you try to diss our function by stating that we can't  
rap  
Is it cause we don't wear Tommy Hilfiger or baseball  
caps  
We don't use dollars to represent  
We just use our inner sense and talent  
If you try to diss the Peas you'll get handled by Apl De  
the  
{\*growling sounds\*}

Alligator, numero uno creator  
Black Eyed Peas be more than a player  
Don't got ta represent no set  
just so I could get some respect  
Ga Ga Ga Ga Ga Ga got, coooooool  
A lot of talent so I can get through  
We're doin cause the way that you did it I think that you  
done corrupt  
the whole hip-hop sound so now we gotta follow up

[Chorus]
