### "Labor Day"

Visit "[Labor Day](#)" on [MotoLyrics.com](http://MotoLyrics.com)

When I stepped in the room  
I bring the heat like the month of June  
Crank the volume make the bass go boom  
Wild out like we some wild baboons  
We go bananas to the tune  
I wanna throw 'bows, give me elbow room (move nigga)  
When I'm out my cocoon I'm ready to consume  
It's hit the saloon cos

It's a holiday pardon me as I celebrate  
And that's the way we do it  
We get a little loopy off the ignorant fluid  
And act a little stupid just in case you didn't knew it  
And just how we do it, don't ask why we do it  
That's just the way it be  
Lovin' double D's, up at the A-D  
When I party in Hollywood, V-I-P  
I don't understand that's T-L-E cos

We party forever and get down together  
We don't stop, no, and we don't quit  
Let's get it going cos you know we gon' celebrate  
It's a holiday, I don't work today, or the next three days  
So let's celebrate, cos it's a holiday, I don't work today,  
nah  
Pardon me as I celebrate

It's time to celebrate  
Servin' up beatbox on a hotplate  
Like that y'all, we on a festive date  
Make you go ape then raise your heartrate  
We gon' stay out late  
Party till the morning and wake up late  
We do it to the day break  
Go on and on and then on and on and

Dance to my rhyme  
I could holla acappellas deaf till you're blind  
You're mine baby  
Take it to the moon for your behind baby  
Take us to the moon and just recline baby

Cock my gat and stroke my nine baby  
We don't stop, girl, we don't quit, no  
We don't quit, no, we don't quit

We party forever and get down together  
We don't stop, no, and we don't quit  
Let's get it going cos you know we gon' celebrate  
Cos it's a holiday, I don't work today, or the next three  
days  
So let's celebrate cos it's a holiday, I don't work today,  
nah  
Pardon me as I celebrate

Don't stop it, just push it  
Don't stop it, just push it  
Move your body and push it  
Get naughty and push it  
We gon' party and push it  
We gon' party and push it  
Move your body and push it  
Get naughty and push it, cos

It's a holiday  
Pardon me as I celebrate

It's time to get wasted  
And scope the whole place for girls with cute faces  
Cos I see some fly mamas so pack your pajamas but  
don't bring the drama  
But you could bring your melody, I'll plug in my mic and  
sing my harmonies (lalalala)  
For how many times we gonna hit it  
How many times we gonna split it  
How many times you gonna get it  
Or else you are gonna wanna come over  
You're gonna have to wanna, man  
Cos I'm the alligator champ  
Driving the train, driving the tram  
Or you could bring your friend and I switch my lane  
And get buddy buddy with your friend Mary Jane  
She really blows my brain (brain)  
She really blows my brain

We party forever and get down together  
We don't stop, no, and we don't quit (yeah)  
Let's get it going cos you know we gon' celebrate, said  
we do it everyday  
Cos it's a holiday, and we do it every night, I don't work  
today, and we do it at the club

Yeah, uh, it's my birthday

Celebrate, cos it's a holiday, I don't work today, nah  
Party as I celebrate
